2025 Membership Guide

July-December 2025

About

World Landscape Architecture (WLA) is the leading landscape architecture website, that brings together a global community of landscape architects, designers, enthusiasts, and industry professionals, offering a wealth of inspiration, knowledge, and resources.

We publish the latest landscape architecture projects, news, and competitions from leading landscape architecture firms. World Landscape Architecture (WLA) has over 50,000 monthly readers worldwide.

WLA is proud to be based in the design city of Melbourne, Australia (Naarm -Wurundjeri Woi-wurrung and Bunurong / Boon Wurrung Country). We acknowledge the Aboriginal and Torres Strait Islander people as the traditional custodians of Country and recognises their continuing connection to land, water, culture and community. We pay our respects to Elders past and present.

People

Damian Holmes - Founder & Editor

Damian founded World Landscape Architecture (WLA) in 2007. His passion for landscape architecture is key to success of WLA.

He is the Editor of WLA publishing over 5,000 articles including projects, editorials, competitions and also host online webinars and in person events.

Damian is also a registered landscape architect with over 23 years of experience designing and realising landscape architecture projects in Australia, China, and Canada. He has a background in landscape architecture, urban design, and horticulture. Damian seeks the latest knowledge and thinking through reviewing research and collaborating with allied professionals. He also attends several conferences during the year including AILA conference, ASLA conference and other conferences and events.

Social Media

We connect with our readers with daily updates on our social media platforms including LinkedIn company (34000+ followers), LinkedIn group (39,000+ members), Instagram (32,000 followers), Facebook (223,000+ followers), Facebook (34,000+ group) Pinterest (96,000+ followers), , also through our weekly email newsletter to 3,500 subscribers.

Services

Memberships

World Landscape Architecture (WLA) offers memberships to design firms, product suppliers, universities, non-profit organisations. The memberships create more exposure for the organisations and their projects, services and products.

Members have the ability to have their project featured on the WLA website and social media accounts. Members have access to editorial calendar, job listings, people profiles, company profiles and more. They also receive discounts on registrations for entries into the WLA Awards.

WLA Awards

World Landscape Architecture (WLA) Professional and Student Awards started in 2016. The prestigious global awards program that celebrates excellence and innovation in landscape architecture. Organized annually, the awards showcase outstanding projects demonstrating exceptional creativity, sustainability, and environmental impact.

Events

WLA hosts and partners with organisations for online and in person events. These have included formal events such as lectures and salons, and also informal events such as meet and greets at conferences and expos.

Marketing & Content Management

WLA can assist with the management of content creation (writing & photography), press releases, social media accounts and more.
